

## PLEASE WRITE TO PARLIAMENT RE DESIRED M.E. INQUIRY

Anglia ME Action has recently added its voice to other calls from the UK ME community for a broad-ranging Parliamentary Select-Committee inquiry into UK Government policy on Myalgic Encephalomyelitis (ME) and related matters. See:

<http://www.angliameaction.org.uk/docs/wessely-misleading.pdf>

Please would as many of you as possible write to Parliament on this matter? A **suggested letter text** is available for your use as a WORD/.doc file at:

<http://www.angliameaction.org.uk/docs/inquiry-letter-text-2012.doc>

Your own words/letter would be better but it is important that you write even if it is using a proforma text. A letter printed on paper and sent by Royal Mail is likely to have more impact than an email but if you can only manage an email then that would be useful too.

You can write to your own member of the House of Commons, to members of the House of Lords and, importantly, to all members of the Health Select Committee at the following address:

**The House of Commons\*/Lords\* [\*delete as appropriate], Westminster, London, SW1A 0AA.**

The current **names of members of the Health Select Committee** are available at:

<http://www.parliament.uk/business/committees/committees-a-z/commons-select/health-committee/membership/>

Further **Health Select-Committee information** is available at:

<http://www.parliament.uk/business/committees/committees-a-z/commons-select/health-committee/>

You can find the **name of your constituency MP and other MPs** at:

<http://www.parliament.uk/mps-lords-and-offices/mps/>

You can find the **name of members of the House of Lords** at:

<http://www.parliament.uk/mps-lords-and-offices/lords/>

Thank you for your time, it is much appreciated.

Anglia ME Action.
